### Paris Central Speeches

Students in Grades 4 through 8 have been writing and presenting speeches in class. Fifteen students were selected to compete in the school-wide competition on March 15th. Nine Junior students competed from the three classes.

**Madison B.** won with her speech about Hockey. Six Intermediates competed.

**Anisa M.** was the winner with her speech about the Right to Die. Judging was handled by four members of the community and we are very grateful to them for their help and support.

Congratulations and thanks to all students who participated. Everyone did a great job!

## Junior Badminton

On Tuesday, February 28<sup>th</sup>, the Junior Basketball team played at the Rawdon Street Invitational Tournament at King George School. Our team won their two pool games against Princess Elizabeth and King George Schools. We went on to play the winner of the other pool. It was a very close game with both teams taking the lead at different points during the game. With amazing defence and a great attitude, our team pulled ahead and won the tournament 27 to 21. Congratulations to **Madison B., Quinn M., Laura C., Camryn C.W., Hannah L., Carson B., Brody R., Tristyn K., Hunter F. and Aiden H.**

## Paris Central Parking

As you know, parking at Paris Central is at a minimum. However, to ensure the safety of our students, please adhere to the by-laws that are in place and the signage that is at the front of the school.

1. Stopping to drop your child off is allowed, **only** between the road signs that say, "Drop Off and Pick-Up Zone from 8 am to 5 pm."
2. There is no stopping or parking south of the "Drop Off and Pick-Up Zone" sign (in front of the school sign and the front door of the school)
3. If you have younger children that need to be escorted to the play area, parking for approximately 10 minutes is allowed between the "Drop Off and Pick-Up Zone" signs.
4. There is no stopping or parking beyond this point (north end of the "Drop Off and Pick-Up Zone" sign), until you are very close to Charlotte Street, where there is room for approximately 2 cars.
5. There is no stopping or parking in the bus zone, in front of the two fire hydrants or in front of the crossing guard.
