Grade 8 Production of Macbeth at Woodman-Cainsville School

Thursday, April 13, 2017 | 6 p.m.

The Grade 8 students have spent the last 4 months learning the Shakespearean play "Macbeth" culminating in Thursday's evening performance. Every Grade 8 student has contributed to this event: designing and making costumes; building the set; constructing props; lighting; sound; ticket design and of course acting. The performance is a condensed version of the original play and lasts for about an hour. Due to the play being in its original, 16thC language as well as some scenes which feature the witches, it is recommended for audiences 11 years and over.
