Dear Glen Morris Families,

Throughout this year, the staff of Glen Morris, worked hard to accomplish several goals that we set in our School Achievement Plan. I would like to thank our incredible staff members who have put forth countless hours of dedicated work, not only towards our academic goals, but towards teams, clubs, school events and trips. Their efforts go beyond the school day, in order to make these goals memorable for the students. A big thank you goes out to our incredible volunteers who supported us in the classroom, with the Strong Start Reading program, the Hot Lunch and the Milk programs, and the volunteers who drove our students to many school events throughout the year. Thanks to our fantastic School Council members who contributed their valuable time towards planning fun events for our students and their fundraising efforts to assist in improving student achievement. All of our community members, through volunteering their time and resources, have enriched the overall school experience for our students. I would like to finally thank all our amazing students who remain respectful and inclusive and make Glen Morris a welcoming and safe place to be. My sincere and best wishes go out to all our graduating grade 8 students.

We have a number of year-end classroom trips and fun events planned for our final month of the school year. Please remember to return the trip permission forms with your children. Our parent council members are also planning a fun-filled Annual Grizzly Family Picnic event for June 19. We hope you can all join us for some food and fun. Look for the information flyer coming home with your child.

I would like to thank each and every family for your continued partnership throughout the year. I wish you all a safe and happy summer holiday.

Kindest Regards,
Latha Reuben
